

## P/N 0E42066

Gravity drainer, 65 litres with side recovery bowl

### SECTORS OF USE

Agriculture, Automotive, Building and road construction, Lube trucks and transports

### FEATURES

|                                   |                              |
|-----------------------------------|------------------------------|
| Tank capacity                     | 65 l                         |
| Max draining capacity             | 52 l                         |
| Prechamber capacity               | -                            |
| Bowl capacity                     | 15 l                         |
| Air pressure for depressurisation | -                            |
| Depressurisation time             | -                            |
| Noise level                       | -                            |
| Suction speed                     | -                            |
| Total suction capacity            | -                            |
| Discharging/Suction hose          | draining 2 m                 |
| Max pressure for discharging      | 0,5 bar                      |
| Set of probes                     | -                            |
| Packing                           | No. 2 - 0,270 m <sup>3</sup> |
| Weight                            | 33 kg                        |

### OVERALL DIMENSIONS (mm)
