

## P/N 542E40/15

Hose reel with electric motorization 230/400 V AC in AISI 304 stainless steel, s. 540 for air and water, 20 bar, without hose. Inlet-outlet G 1/2" (f)

### SECTORS OF USE

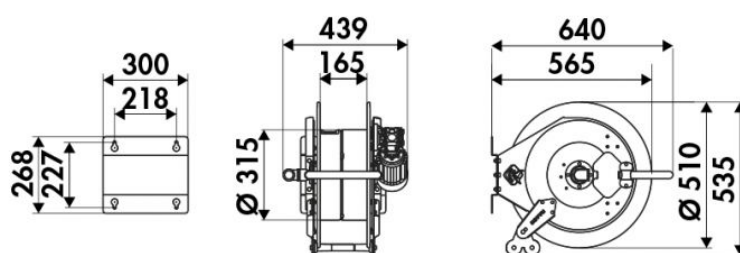

Industry

### FEATURES

|                   |                                  |
|-------------------|----------------------------------|
| Pressure          | 20 bar                           |
| Compatible fluids | air - water                      |
| Swivel joint      | brass                            |
| Seals             | Viton®                           |
| Characteristic    | electric 230/400 V AC - 50/60 Hz |
| Material          | AISI 304 stainless steel         |
| Couplings         | -                                |
| Hose              | -                                |
| ø e hose length   | -                                |
| Inlet             | G 1/2" (f)                       |
| Outlet            | G 1/2" (f)                       |
| Reel flow path    | brass - AISI 304 stainless steel |
